This Parlor Suite At Half Price

Regular Price, \$70. Sale Price Friday and Saturday Only

This is the most extraordinary offer we have ever made, or seen made, in furniture of this class. It has made a sensation even among our own salespeople, who are accustomed to bargains.

The pieces are perfect in every respect and come from as good a furniture maker as the country knows—a maker who specializes in high-class goods. The design is refined and elegant. In every shape and fashion this suite is worth the price at which it usually sells, which is \$70. You cannot find anything as good anywhere else for less.

Our Amazing Price For Two Days Only, Tomorrow and Saturday, Is \$35

The frame is of selected birch, in a deep, rich, lasting mahogany finish. The upholstery is in silk velour, or panne velour-in a choice of colors. This upholstering is in deep, soft, loose cushions, preferred by most women, because of the ease of cleaning and repairing.

You have our full guarantee of excellence and our assurance that you have never seen a greater parlor suite bargain in your life. Sale is limited to two days because the number we have won't last any longer.

If you will need a Parlor Suite any time within the next year, and miss this chance to get one, you will have

missed as good a thing as we have ever given you. Other Parlor Suites are heavily reduced tomorrow in sympathy. Sale prices range from \$20 (formerly \$40) to \$100 (formerly \$150.) (GREENHUT Building, Second Floor.)
